

# KIDS Plus

Deadline to Register September 24th

## What is KIDS Plus After School Enrichment?

KIDS Plus provides a variety of opportunities for kids in a safe, supervised environment to grow, learn and create.

KIDS Plus is an after school program intended to extend learning outside of the regular school day by inspiring and motivating students with a combination of academic, artistic, social and recreational activities.

1

### WHO?

KIDS Plus is for 2nd-6th graders who enjoy learning outside of the classroom.

2

### WHAT?

Enrichment activities let kids think of possibilities. To build, to think, to learn.

3

### WHEN?

Quality after school enrichment programming supported by

### Become a Volunteer!

Volunteers make KIDS Plus Possible!

### Connect with the Community!

Make a difference in your community by sharing your skills or hobbies.

### Inspire and be Inspired!

Let your creativity shine though with helping kids find theirs!

## Dear Parents,

Please make sure your child's teacher has a written confirmation of where he/she will be after school.

Although we are affiliated with the school, we are a different program entirely. Teachers need to know from you where to send your child and on what days. KIDS Plus needs a written confirmation if your child is doing anything different than having you pick them up. If you would like to have your child walk home we also need a written permission. We need to have an emergency name and number for your child. If we do not have at least one other contact person besides yourself we will not be able to let your child come to KIDS Plus. Please fill out

the registration form completely. All registration fees need to be paid with registration. If you need to make special arrangements please do so. We can work with everyone to figure out payment. **Remember pick up time is between 5:25-5:30.**

### DAILY SCHEDULE

3:20-3:30 Meet in Cafeteria  
 3:30-3:45 Free Play  
 3:45-4:00 Snack  
 4:00- 5:00 Enrichment  
 5:00-5:15 Homework Time  
 5:25-5:30 Parent Pick Up

## KIDS Plus Mission Statement

To provide a safe, nurturing, high quality learning environment for children in ISD 97 by inspiring and motivating them through academic, artistic, visual, social and community involvement activities with the help of dedicated community volunteer mentors and friends.

If you have any questions or concerns contact us.

Week Three: October 9th, 10th, 11th

Week Four: October 23rd, 24th, 25th

Week Five: October 30th, 31st, Nov 1st

**CLOSED October 16th, 17th, 18th.**

# Enrichment Courses

Tuesday	Wednesday	Thursday
<p><b>Apple Pie</b> 2nd-6th Grade</p> <p>We had an amazing surprise this fall. We have discovered apple trees on the school grounds. Help us pick as many apple as we can carry and make yummy treats with them. Join us for pie making, apple strudels or just good old caramel apples.</p>	<p><b>Around the World</b> 2nd-6th</p> <p>We are always excited to learn about new things, places and specially tasty treats. We will be virtually visiting a few countries around the world with the help of google earth, learning history, culture, and of course food! Come for our freshly fried churros and stay for the fast paced uno game.</p>	<p><b>Healthy Eating with Mercy Hospital</b> 2nd-6th</p> <p>Jennifer Gherau from Mercy Hospital will lead us in learning how to create a healthier life style and learn what foods are really good for your tummy and which sound good but are not. Of course we get to try some of our healthy choices too!</p>
<p><b>Homework Help</b> 2nd-6th</p> <p>We all need a little bit of help from time to time. Join us for reading, math and science tutoring. Anything you might need help with in school or just want to read with us your library book. All ages are welcome. NHS students kindly agreed to join us and help us in any subjects we need a bit of upkeep.</p>	<p><b>Clay Bowl</b> 2nd-6th</p> <p>It's that time of the year again, as we see leaves turn we want to curl up with a warm bowl of soup and a nice mug of hot cocoa. Join us for bowl making and we will get to experience how to work on a pottery wheel. As there is a limited amount of wheels we will be making mugs as we rotate.</p>	<p><b>Kids Zumba</b> 2nd-6th</p> <p>Love music? Love to move and groove? Come to our first ever Kids Plus Kids Zumba class! Zumba is a fitness activity that combines Latin and international music with dance moves, alternating fast and slow rhythms. Don't worry if you have two left feet, this class will definitely get you moving.</p>
<p><b>Community Helpers</b> 2nd-6th</p> <p>Have you ever seen a familiar face on the side of the road directing traffic? Or ever wonder what a firefighters job is like? Tag with us as we meet a few of the community workers and volunteers that help our city work. We have wonderful people stopping by with firetrucks, police cars and first responders rigs, just to name a few.</p>		<p><b>Robotics</b> 2nd-6th</p> <p>It is time for our most popular and requested class. The robotics class with Mbots! Bots are easy to put together, learn about circuitry and then you are off making the bots do cart wheels off the walls! Ok Ok maybe not off the walls but as you learn to program your bot it will follow many commands and any path that you can code. Now if only we can teach them to vacuum!</p>

**PLEASE PRINT. INCOMPLETE FORMS WILL BE RETURNED. THANK YOU. TURN IN TO THE OFFICE
